[Docket No. CP98-325-000]

K N Interstate Gas Transmission Co.; Notice of Request Under Blanket Authorization

April 14, 1998.

Take notice that on April 2, 1998, K N Interstate Gas Transmission Co. (KNI), P.O. Box 281304, Lakewood, Colorado 80228, filed in Docket No. CP98-325-000 a request pursuant to Sections 157.205 and 157.208 of the Commission's Regulations under the Natural Gas Act for authorization to acquire and operate certain compressor, pipeline, receipt and delivery point facilities, with appurtenances, located in the States of Texas and Oklahoma, under blanket certificate issued in Docket No. CP83-140-000, *et al.*,¹ all as more fully set forth in the request for authorization on file with the Commission and open for public inspection.

The facilities are to be acquired from Transwestern Pipeline Company (Transwestern) pursuant to the terms and conditions of an Asset Purchase Agreement dated December 30, 1997 between KNI and Transwestern. KNI states that the acquisition of these facilities will allow KNI to receive and deliver on a firm basis up to 65,000 Mcf of natural gas from producers and shippers in the Anadarko area. In addition, the facilities will allow KNI the opportunities for operational flexibility in acquiring volumes of gas that may become available in the future from other production sources in the area. KNI will integrate the subject facilities into its Buffalo Wallow interstate pipeline system and will provide open access transportation service to shippers requesting service on these facilities pursuant to the terms and conditions of its FERC Gas Tariff.

KNI further states that the authorization requested is dependent upon Transwestern receiving authorization at Docket No. CP98-233-000 to abandon, by sale, the subject facilities to KNI.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a

protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.
